

5 UNIQUE EXPERIENCES

American Made - American Proud Day Trip or Overnight

Begin your Americana tour at the **Eldred WWII Museum**, in Eldred, Pennsylvania. Be greeted by an M251 tank bursting out the side of the museum. Eldred was once the site of a munitions factory which employed over 1800 women. Guided tour by a very knowledgeable curator. Free Parking. Step back in time at **Old Town Smethport**. View an original stagecoach, Civil War cannon, a general store delivery truck, and log cabin. Shop at America's First Christmas Store & the General Store. Allow one hour. Free Bus Parking.

Lunch at **Beefeater's Restaurant**, located in Bradford's National Historic District, in the beautifully restored Carnegie Library. Private Dining, Motorcoach menus available.

After lunch visit the **Zippo/Case Museum & Flagship Store**. Learn the story of the Zippo lighter, invented in Bradford, and still proudly "Made in America" along with Case knives and Northern Candles. Guided Tour. Free Admission. Free Bus Parking.

Next stop, **Penn Brad Oil Museum**, just south of Bradford. Experience wildcatting tales of Bradford's Oil Boom days, learn the history of the word moonlighting, and tour the 72-foot tall, 1890 Era Standard Rig, watch a short movie in the "Doghouse Theater." For the best experience, the museum prefers to host groups on Tues. & Wed., when the museum is closed to the general public, exceptions can be made.
